

Come Follow Me

Words & Music: Darrell Gow

Verse 1- I was just standing at the edge of the water
When He came up to me
He said I see that your nets are all empty
Tough finding fish in the sea
Oh, it's tough finding fish in the sea

Chorus- He said, come follow Me
Jesus said, come follow Me

Verse 2- I looked at Andrew and he looked back at me
Peter, he said, I believe
So we left everything there at the water
Left it all there at the sea
Oh, we left it all there at the sea

Chorus- He said, come follow Me
Jesus said, come follow Me
Drop everything, you can leave it behind
I'll make you fishers of men
Come follow Me

Bridge- Follow Me now and I promise I'll show you
All that you can be
If you will give it all up I will give you
Everything

Chorus- Come follow Me
Jesus said, come follow Me
Jesus said, come follow Me
Jesus said, come follow Me
Drop everything, you can leave it behind
I'll make you fishers of men
Drop everything, you can leave it behind
I'll make you fishers of men
Come follow Me
