

I Will Wait Upon The Lord

Words & Music: Darrell Gow

Verse 1- I am silent Lord
I am still
Without one single word
I know you will
Understand that my desire
Is to know you more

Chorus- I will wait upon, wait upon the Lord
I will wait upon, wait upon the Lord

Verse 2- If a tear you see
On my face
While in prayer, oh Lord
I need your grace
To quiet every part of me
While I wait for you

Chorus-

Bridge- As I read the words You speak
I see more of You
I will know that You are God
That Your words are true

Chorus- I will wait upon, wait upon the Lord
I will wait upon, wait upon the Lord

Chorus- I will wait upon the Lord with all I am
I will wait upon the Lord with all I am

I Will Wait Upon The Lord
