

Lead Me On

Words & Music: Darrell Gow

Verse -
When God controls
And I'm aligned with Him
I am not the one who now is leading me
For when He leads
And if I do my part
Then I shall reach the goal and be where I should be
When He leads

Chorus -
Lead me on
With the actions of my heart inclined to You
Lead me on
My passion and desire only for You
Holy Spirit change my will
Redirect me so I feel
My heart is being led by only You
And lead me on

Ending -
Lead me on / Lead me on
Lead me on / Oh, lead me on (repeat)
